ORDER DISMISSING CONTESTS

Before: Judge Koutras

The captioned cases were scheduled for hearing with several other dockets heard in Morgantown, West Virginia, during the term July 29 - 31, 1986. When the cases were called, counsel for the parties advised me on the record that they have reached an agreement which will enable me to dispose of the cases without the necessity of hearings.

With regard to Docket No. WEVA 86-311-R, counsel advised me that the contested section 104(d)(2) order should be affirmed as issued and that the contestant no longer desired to contest the order and would file a motion to withdraw its contest.

With regard to Docket Nos. WEVA 86-312-R and WEVA 86-313-R, counsel advised me that MSHA has agreed to modify the contested section 104(d)(2) orders to section 104(a) citations, with "significant and substantial" (S&S) findings. Under the circumstances, contestant moved to withdraw the contests, and the request was granted.
